

## **CERT monthly meeting minutes July 20, 2022**

10:00 AM, Meeting called to order with pledge to the flag.

Present: Tom Briggie, John Ribeiro, Barry Campbell, JoAnn Campbell, Charlie Rizzo, Donald Mattson, Mickey Mattson, and Sharon Denson

Tom made motion to accept June minutes as distributed, second by Charlie. Motion passed.

The financial report was given by Sharon. The current treasury has \$2,439.82. We have spent \$150.94 on the trailer to finish the wiring, put wheels on generator, covers for the tires and more.

We discussed the July Drill in terms of what worked and what did not. Tom gave a report on the accomplishments. The drill met the criteria established which included, having trustee and maintenance attend, check the radios and the response to the calling tree. Cathy was absent but had sent her concerns. Most important that when you are going to be out of town for a day or more, to send an email to both Cathy and Tom. When an alert is received from Manatee County EOC, Cathy will send out a text message to all.

The Communication trailer was discussed and the pictures provided by Dan were distributed to show the work that has been done on the trailer. All were impressed and a big thank you to Dan. Dan had also painted the exterior of the trailer.

We are going to work on simple codes to be used in the field for common issues. Charlie suggested we contact the authorities and find out if they have codes we can use. This will be done. The biggest issue is the recording of the issues when called into the Team Leader. Hope to have something by the drill meeting on the 5<sup>th</sup>.

A drill is being planned for August that would include the District in the preliminary meeting on August 5<sup>th</sup>, 10:00AM at the beach to plan the coming event (hurricane) and hand out radios. The drill to take place on August 9<sup>th</sup> at 10:00AM

Motion to adjourn by Tom with second by Charlie

Meeting adjourned, 10:40
